

# NOVEMBER 2020

## PARENT NEWSLETTER

### THROUGH THE YEARS' ANNUAL GENERAL MEETING TO BE HELD ON MONDAY, NOVEMBER 23, 2020 7:00P.M.

The Board of Directors invite families to attend the AGM by way of Zoom this year. The link will be sent to all families with a reminder a week before the date. We hope for lots of parent support as we share the program, staff, building and financial reports from the last year and elect a new slate of officers and directors. We will be bidding farewell with a big thanks to some board members who have finished their term and are very pleased to be welcoming some new board members to the group.

### PHOTO DAY

Anthem Photography will be here Wednesday, November 4th at 9:00am for photo day. Children will be photographed individually (and then together as siblings) and be in a class photo. If for some reason we do not get through all the infants, toddlers and preschoolers on the 4th she will return on the 5th to take the remaining photos.

### TIDBITS
