INTRODUCTION

Mexico is a thriving market for foreign companies and individuals who want to start a new business venture. However, navigating the legal and administrative requirements can be a daunting task for those who are not familiar with the process. This is where our services come in - we specialize in helping foreign companies and individuals incorporate a new business in Mexico and help them get their tax ID and bank account set up. In this presentation, we'll walk you through the process and explain how we can assist you every step of the way.

SCOPE OF LEGAL SERVICES

Statutory Appointments

·We will be appointed to act as the Legal Representative in Mexico by members of the Firm under the following guidelines: (i) she/he will act under your instructions always, (ii) she/he will not have real and effective capacity to make decisions independently and/or autonomously on behalf of the client, (iii) she/he will also lack of discretion in the destination and use of the resources of the Client's entity, (iv) she/he will not be responsible for maintaining of the profitability of the business, nor for reviewing and promoting compliance with goals or indicators, nor for ensuring compliance with the budget; and therefore the documents or actions which, he and/or his appointee, subscribe or carry out, are executed under the exclusive instruction or direction of the Client through its managers, representatives, shareholders or those who act in its stead, and are the only ones who know and are responsible for the activities and decisions taken by the company.

ABOUT US

For our projects we work with Galla Abogados, S.C., a Law, Financial and Business Consulting Firm founded in 2020. Its main Partners, Advisors and Associates have extensive experience in national and international legal, regulatory, financial, business, administrative and strategic planning matters, and have held various management positions in the 3 levels of Government, Federal, State and Municipal (Bank of Mexico, Mexican Treasury Department, Financial Intelligence Unit, Attorney General of Mexico City, and audit areas) and of the private sector, such as J.P. Morgan and various Family Offices, as well as national Law Firms such as Basham, Ringe y Correa, S.C. and White & Case, S.C.

HOW WE CAN HELP

- We guide you through the entire process, from the initial consultation to the final registration of your company.
- We provide expert advice on legal and administrative requirements, including tax obligations and labor regulations.
- We work closely with a network of professionals, including notaries, accountants and bankers to ensure a smooth and efficient incorporation process.
- We provide ongoing support and advice to help you grow and develop your business in Mexico.

CONCLUSION

Incorporating a business in Mexico can be a complex and challenging process, but with our help, you can navigate the legal and administrative requirements with ease.

Our personalized service and in-depth knowledge of the local market ensure that you have the support you need to start and grow your business in Mexico.

Thank you for considering our services, and we look forward to the opportunity to work with you!

We want to ensure there's a great fit between you and us. As such, we will have to review your plans in Mexico prior to commencing our work together.
