

**Pickerel/Crane P&R Lake District Commissioners Meeting
May 26, 2021
Town of Nashville Community Center**

Call to Order at 5:00pm

Roll Call: Chuck Sleeter, Kathy Kupfer and Curt Haga; Absent Jerry Hietpas and Dan Stoehr.

LMP – Aquatic Plant Management Plans (APMP) for Pickerel & Crane Lakes

Brad presented details of both plans.

Motion was made by Curt to accept the APMP for Pickerel Lake as written by Whitewater Associates and seconded by Kathy.

Motion was made by Kathy to accept the APMP for Crane Lake as written by Whitewater Associates and seconded by Curt.

Copies of the APMP available online at pickerelcranelakedistrict.org website.

Presentation to Town Board

Brad distributed handouts of survey questions and results to be presented to the Town Board at the 5/26/21 meeting at 7:00pm relating to:

- No Wake Rule Time Change

- Boat Landing Improvements

- Pickerel Lake Road Safety and Culvert

- Septic Tank (For Info Only – Regulated by Forest County)

Notes - Non-Agenda Items Discussed

Brainstormed options to help drive traffic to the website. Kathy to get pricing for refrigerator magnets and key floats.

Brad to design sign to clean your weeds off prior to entering channel.

Chuck to request change to DNR permit to allow harvester to pick up floaters, in order to assist with boater navigability

Kathy/Brad to develop post card checklist related to shoreland restoration also directing users to the website for additional info.

There was discussion on recognizing outstanding restoration projects in the newsletter and website, but no action was taken.

Brad and Curt to record lake property addresses and provide to respective Counties in order to improve County septic records and compliance.

ADJOURN

Meeting adjourned at 6:30 PM

Curt Haga, acting secretary
