

Pickereel/Crane Lake P&R District Commissioners Meeting

August 28, 2021

Town of Nashville Community Center

- 1. Call to order at 10:40 AM by Chairman Chuck Sleeter**
- 2. Roll Call:** Chuck Sleeter, Curt Haga and Dan Stoehr; Absent Kathy Kupfer and Craig Farah
- 3. Selection of Board Positions**

Chairman: Chuck Sleeter
Vice-Chairman: Craig Farah
Treasurer: Kathy Kupfer
Secretary: Dan Stoehr
Commissioner at Large: Curt Haga
- 4. Revisit action items from fall meeting**
 - a)** Controlling the weed problem on Pickereel Lake with the use of chemicals: Chuck said he would look into it.
 - b)** Water quality entering Pickereel Lake from Crystal Lake: Chuck will talk with Greg Matzke. Ron Nye will also attend the Langlade County Waterways committee meeting since he is on the Langlade County Conservation Committee.
 - c)** Limit boat traffic going from Pickereel Lake to Crane Lake? Chuck will contact the DNR about what the rules are.
 - d)** The number of walleyes per acre in Pickereel Lake? Nobody knew that answer so Chuck will ask Mike Pruel.
 - e)** Bullhead extraction: Chuck will check with Mike Pruel as to what needs to be done as far as volunteers and the best way to extract them the bullheads.
 - f)** Harvester Loading: It is not safe for those volunteers in the water when loading the harvester because the operator can not see or hear them. Chuck is requesting approximately \$1,000 for 4 waterproof, floating radios for communication. He'll make sure that they can try them first before purchasing them. All members in favor.
 - g)** Website promotion: Curt brought up some additional ideas for website promotion including a Drink "coaster", Facebook page and Place Mats. Curt will first check with Kathy and Chuck will look into the Place Mat idea in connection with the Langlade County Waterways for the purpose of invasive species awareness.
- 5. Adjourn:** A motion was made by Curt to Adjourn and seconded by Chuck. Meeting adjourned at 11:04 AM.

Respectfully Submitted,
Dan Stoehr, Secretary
