Sailing Resumé

An accomplished all round yachtsman with 80,000+nm logged in racing, delivering, and passage making as captain or crew on sailing boats ranging in size from 24ft to 70ft. After concluding a successful business career, now able to spend unlimited time on the water.

Experience extends to all positions on the boat, including tactician, navigator, helm, sail trimmer, mast, foredeck. More than capable of cooking a great meal on an offshore passage.

Successful inshore and offshore race experience, includes fleet racing, team racing, match racing. Have been involved with a number of successful race campaigns in Europe and N America including Humphries one-off 38ft (4 seasons), Sigma 33 one-design (4 seasons), International Etchells keelboat (4 seasons), Farr 45 (2 seasons).

Completed numerous long distance passages and deliveries ranging from 300nm to 4,000+nm.

Currently active in delivering monohulls and catamarans as captain or crew the US East Coast, Caribbean, Atlantic and Pacific. My priority is **always** the safety of the crew and the vessel.

As well as completing three Atlantic crossings, a Panama Canal Transit and one Pacific crossing, extensive experience in the following geographic areas:

- Europe (the England Channel, Irish Sea, North & Baltic Seas, Bay of Biscay, and Mediterranean)
- North America (Great Lakes & Eastern Seaboard between Nova Scotia and the FL Keys)
- Caribbean (Bahamas, Virgins, Leewards) & Atlantic Islands (Azores, Canaries)

A native of the UK, emigrated to Toronto, Canada in 1993; resident in South Florida since 2000. Now a US Citizen, with both US & British Passports. Masters Degree in Finance & Accounting from London School of Economics and a Chartered Certified Accountant. Played guitar as a professional studio session musician in London a long, long time ago...

A non-smoker, I will never consume alcohol while underway.
