January 10, 2025

Dear patients,

Since our practice opened in November 2022, Integrated Rheumatology Care has been continuously committed to providing high quality, personalized and readily accessible medical care, regardless of insurance status. We want to thank you for joining us and supporting us along the way. Over the last few years, we have seen exceptional growth and have been able to provide care to patients in Orange and surrounding counties as well as throughout the entire New York State and nearby border states. We also have been able to maintain relationships with our patients who travel to other states for extended periods of time by providing them with the convenience of telehealth services.

We strive to provide high quality and responsive care to our patients both in the office and via telehealth. We hope that you have come to value the relationship that you have formed with our physicians and our staff.

To continue to provide the same level of quality you've come to expect from our office, we will be making small adjustments to our visit fees beginning February 1st, 2025. The adjusted fee schedule is outlined below. Please be aware that our monthly membership fee of \$130/month will remain unchanged. We will honor pre-adjustment fees for all Initial Consultation appointments that have been made prior to this announcement.

Service	
Initial Consultation with complementary courtesy follow up/2nd visit	\$400
Follow up visit	\$240
Telemedicine follow up visit	\$120

We are available to answer any questions that you may have, please do not hesitate to reach out to us if you have any questions. We look forward to our continued partnership with you!

Dr. Jenny Cabas Vargas and Dr. Bella Fradlis
