

ABOUT US

Ezra Lawson Foundation

Dear Sponsor

Ezra Lawson was a member of Socastee High School class of 2021. Upon graduating, he joined the United Air Force and was stationed in Oklahoma City. Tragically, Ezra died in a car accident in May of 2022, less than two months after his 19th birthday.

Ezra had an unmatched love for the game of basketball! In his memory, we created an annual 3v3 summer basketball tournament held at this alma mater. Proceeds from the tournament will be used to award a graduating senior with a scholarship each spring.

We appreciate any monetary donations, gift cards, coupons, or merchandise you are able to donate. These will help us cover the tournament expenses, to be used as giveaways for players, and for tournament prizes.

Sincerely,

Foundation Committee
