IEEPA Tariff Refund Advance Funding — How It Works

What are IEEPA Tariffs?

Under the International Emergency Economic Powers Act, the U.S. government imposed tariffs on imported goods. Many of these tariffs are being challenged and refunded — but the process takes months or years.

What does RETCS LLC do?

We evaluate your tariff refund eligibility, verify the claim, and advance a lump-sum payment today — in exchange for an agreed portion of the eventual government refund.

1

You Apply

Submit your tariff payment records & eligibility docs

2

We Evaluate

We verify your claim, assess value & timeline

3

Advance Funded

Receive cash — typically within 5–10 business days

4
