

GETTING STARTED!

Step 1

Update your phone

Make sure your cell phone is updated with the latest operating system version available. This will optimize your devices performance.

Step 2

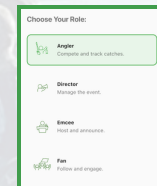

Download the eTournament Fishing app and create your profile

The app is FREE to download and you can enter the FREE eTournament Fishing Practice Event or a free trial event (code required). Anglers must have a current subscription to enter and compete in events, and have UNLIMITED USE of the app and all it's features, including eTF Chat, and access to "The FAN" (Friends Angling Network)

Step 3

Enter the eTournament Fishing FREE Practice Event or a FREE Trial Event

Select Angler as your role. Tap "Search Tournaments" to find the event you'd like to enter. If you enter the Practice Event, complete a few test submissions to confirm your cell phones compatibility and to familiarize yourself with the submission process. If you are entering a FREE Trial Event, your organization will provide you with the required code to enter the event.

Step 4

CHECK-IN to your event

From the Angler Dashboard, tap "Upcoming Events" or "Tournament Day" to find your event. Tap on your event and the Check-in Box will be in the upper right corner, tap the box. Checking-in, enables the app to automatically go into the Offline Mode, when you're in areas with poor or no cell service/internet connectivity. You can Check-in anytime prior to the start of your event while you are in an area with good cell service/internet connectivity.
