

## Los Angeles Amateur Radio Club

is an organization of Amateur radio enthusiasts organized in 1975 and incorporated in 1977 as a non-profit organization with the basic purpose of promoting amateur radio and electronics as a hobby and promoting ham radio fellowship and good will.

### Our Mission is...

- To provide a safe environment where people come together with those who share a common interest in the hobby of Amateur Radio.
- To serve as instructors and FCC Volunteer Examiners providing education and training in electronics and radio knowledge for youth and others interested in amateur radio.
- To conduct programs and activities to advance the general interest and welfare of amateur radio in our communities as well as within the Los Angeles Amateur Radio Club.
- To improve individual operating proficiency in order to be able to assist the public and serve our respective communities in the event of a disaster when emergency communication is needed.
- To collaborate with other service organizations such as
  - [Houses of Worship](#)
  - [Neighborhood Councils](#)
  - [Neighborhood Watch Programs](#)
  - [Neighborhood Team Programs](#)
- To promote camaraderie among our membership and our respective communities.
