

Modoc Moves Active Transportation Survey

Modoc County is preparing a countywide plan for the development of facilities that support people who sometimes walk, bicycle, use public transit, and travel without using a car. Sidewalks and bicycle lanes are examples of these facilities. This survey asks for your input on getting around Modoc County without driving. It should take 5-10 minutes to complete this survey. Your input is valuable and requested!

Kindly return this survey to the Modoc County Roads Department at 202 W. 4th Street, Suite 100 Alturas, CA 96101 by February 28, 2025. You can also fill out an online version instead by visiting <https://bit.ly/ModocMovesSurvey> in your web browser.
