FAQs

How do I enroll in the Southern Smiles Membership Plan?
Please stop by the office to enroll in-person today. Your membership activates as soon as your membership fee payment is received.

How long is my membership?
Your membership is 12 months starting the day your plan is activated. You may be automatically re-enrolled on your anniversary date each year.

I am already a current patient at Southern Smiles. Can I still join the Membership Plan?
YES! Both new and existing patients are eligible for the Membership Plan.

I have a FSA/HSA plan. Can I submit the membership fee for reimbursement?
YES! You are welcome to submit your plan fee for FSA/HAS reimbursement. We recommend you contact your employee benefits provider to confirm the details of their coverage.

I have dental insurance. Can I sign up for the Membership Plan?
The Membership Plan is not valid in combination with your existing dental insurance plan.

What must I do to use my discount for dental treatments?
Simply call our office to schedule an appointment on or after your effective membership date.

Are there any treatment exclusions?
There are absolutely NO exclusions on dental treatments. Retail products such as take-home tooth whitening kits, electric toothbrushes, MI Paste, etc do not receive a discount.

What happens if I miss a scheduled dental appointment?
Membership Plan members should maximize benefits by scheduling appropriate appointments within the 12 month membership period. We recommend reserving your dental hygiene appointments 4-6 months in advance. Benefits do not "roll-over" and must be used within the 12 month period.

How do I cancel my membership?
We do allow cancellation within the first 30 days of activation. If you cancel within the first 30 days, you will receive a full refund of the membership fees. You will also be required to pay full fee for any dental services/treatments provided within the first 30 days of your membership prior to cancellation. The annual fee may auto-renew after one year. Please contact Southern Smiles Family Dentistry to make changes to your plan membership.
