HISTORY OF THE PARRAMATTA CITY TITANS

The Club's history can be traced back to 1908 when it was first established as 'Parramatta Marist JRLFC'. With great success throughout its history, in 2008 the club changed its name to 'Parramatta City Titans JRLFC'.

The Club's history and ongoing success over the years would not have been possible without the commitment and support of all its past and present players, volunteers and sponsors. The club is located in the heart of Parramatta at Ollie Webb Reserve, located on the Cnr of Glebe and Pitt Street Parramatta.

The club has always been and will continue to be a strong member of the local community with the vision to give all players no matter the ability the opportunity to play and develop in the greatest game of all in a safe environment.
