## R+F NEWS

*Last week, Rodan + Fields announced a change to the business that will take effect from 1 September 2024. They will move away from being an MLM business, toward an affiliate model*

*This change has come as a shock to everyone in the R+F consultant community, with many overwhelmingly feeling grief and a sense of loss. This has led to them looking for other opportunities, to maintain the community they have fostered over many years. As of 1st September, R+F will not accept any new consultant enrolments.*

*For me personally, I am choosing to look at the positives of this change. I've always had a love / hate relationship with the MLM model, and moving to being an affiliate takes away some of the stress and guilt I had felt over that. I firmly believe that the community will remain strong amongst consultants that choose to remain as affiliates.*

*I have no plans to move on, and will be continuing to serve you, my customers as an affiliate come 1 September. You will notice more widespread R+F commercials showcasing the power of our results and inviting you to order. I hope you will continue to support me in my small business and allow me to support you with your skin & haircare.*

## A CHANGE FOR PC'S

*The change brings some good news for PC's also!! From 1 September, the threshold to qualify for FREE shipping will be lowered to \$58 AUD.*

*And I will be here to continue to support you with any questions you have or tips you need to get the most out of your products.*

# CYBER SAFETY

*I recently completed the LEVEL 1 Cyber Wardens training.*

*This provided some practical tips and guidelines for me to ensure I am protecting any personal data I hold.*

*While Rodan + Fields hold all your payment information securely, and I do not have access to this, I can access your contact information to send you updates like this one.*

*With the worldwide tech outage on Friday, scammers are working overtime to try to trick people into providing information, so we all need to be more vigilant than ever.*

*You too can check your cyber awareness, by completing the free Cyber Wardens course using this link: [cyberwardens.co/refer](https://cyberwardens.co/refer)*

THANK YOU!!!

*Thank you for trusting me this far. I hope you have enjoyed this newsletter from me. Stay safe and have a wonderful week ahead.*
