Dear Everyone,

It is with a heavy heart that I report that Roger Larson passed away on Monday September 30<sup>th</sup>. He had been valiantly living with cancer for 12 years.

Roger was a an integral member of this group for about 20 years. Most recently he was in charge of food and venue for our regular Luncheon Meetings.

Because of the hole his passing leaves, **our group will meet via Zoom for our upcoming meeting on Tuesday October 15<sup>th</sup>**. Ed Cabrera from the League of Women Voters will explain the propositions on California's November ballot and answer our questions about the propositions. We will also remember Roger.

**Our Tuesday December 3<sup>rd</sup> Seasonal Celebration meeting** will occur as previously planned. The venue is the Madonna Inn Garden Room. Details will be in our December newsletter, which we hope to get to you about a week before Thanksgiving.

Roger's passing means we have lost another board member at a time when 2 others are feeling the need to leave the board and I am beginning my transition off the board. Our board is currently supposed to have 7 members, but now has only 5, and by year's end may have only 3. We need other members to step up to help keep our organization alive. We really, really need 5 members to join the board before the end of December. Will you be one of these 5? I sure hope so!

To volunteer, please contact me at [mikigillman@gmail.com](mailto:mikigillman@gmail.com) or 805-550-7196. Also, if you are currently receiving this newsletter by US Postal Service, please give us your email address. That would save us work, time and money.

~Miki~
