Program:

Prizes! All of us socializing on Zoom! Elections! This will be a mostly social Zoom gathering to chat with each other about what and how we are doing these days, what types of presentations you'd like from these SLOCREA meetings in 2021, and other issues we are thinking about. Five people attending will receive a very nice prize! (You have to attend to win.)

We will also elect our Board of Directors for 2021. Everyone on the current board has graciously agreed to continue for another year. We do have one vacancy and would welcome having another member join the board. We are a congenial group who meet immediately following most of our general meetings plus between some of the meetings, as needed (about 2-3 times per year). Meetings usually last an hour or less. We currently meet via Zoom.

Hi Everyone,

*The change in meeting time will be in effect during the pandemic when we are having Zoom meetings. We expect to return to the noon meeting time when we can once again meet in person for lunch.

Buff Lawson of Hi-Cap presented at our October meeting. She and others from Hi-Cap are available for telephone consultations about health insurance, especially Medicare and supplements. She can be reached via Hi-Cap at: 805-928-5663 or www.centralcoastseniors.org

Hi-Cap is a program of the nation-wide Area Agency on Aging. "Hi-Cap" is California's name for this program. The same services exist in other states under a different name. If you live out of California, contact your local Area Agency on Aging to access these services.

We'll have Carl Nelson from Pension Trust speak in the spring. Potential other topics the board has discussed for 2021 include SLO Village and Suicide Prevention. Are you interested in either of these? Please tell us what types of topics you are interested in.

Schedule of 2021 General Meetings~~Topics to Be Determined:

Monday March 08, 2021
Monday May 10, 2021
Monday July 12, 2021
