

Important December 2022 Message to SLOCREA Members

We had a fabulous turn-out at our December 6th Holiday Luncheon at the Madonna Inn! Forty-eight of us enjoyed good company, good food and good music. Thanks so much to all of you who attended.

If you did not respond to any of our numerous November emails, please note now that we changed both the date and venue of our December meeting, as cited above.

We know some of you are not always reading the emails we send you. If you did not receive our emails sent in the latter half of November, please be sure to put our email address into your contacts (slocree@slocree.org) &/or check your spam folder regularly. Also, always be sure to tell us whenever you change your email address.

We are using email as our “go to” method of communicating with you. Our website (www.slocree.org) is also full of information.

For 2023, we are planning to switch our regular meeting day to the 1st Tuesdays of March (7th), May (2nd), October (2nd) and December (4th). July’s meeting would likely be the 2nd Tuesday (July 11th). Our newsletters and website (www.slocree.org) will provide updated info as these dates near.

We are anticipating that our indoor venue (for March, May, and December) will be the Madonna Inn Round Room. The maximum number for that room is currently 60 diners. We need a minimum of 25. We are also anticipating having the July and October lunches outdoors, at El Chorro Regional Park.

Please note: RSVPs are very important. You may bring your spouse, relative or friend to any lunch, making sure we include them in the RSVP count.

Please feel free to email me at mikigillman@gmail.com with any questions, feedback, or information.

Wishing You All the Best through the Holidays and in the New Year!
