

403-232-6230

1207 1ST STREET SW
CALGARY, AB

At PARM, we believe that a great pizza starts with amazing ingredients, that means making our dough fresh daily with 00 flour (the highest quality available), and San Marzano tomatoes straight from Italy. All of the toppings are designed to complement the pizza, not weigh it down. Our wood fired forno oven operates around 800 degrees and is fueled by apple wood from the Okanagan, BC.

Please enjoy!
