ABOUT

BOZ is a Los Angeles-based indie pop artist whose music is infused with heartwrenching emotion. Her breakout single, "Meet Me in LA," is a love letter to her city, its energy and inclusive queer community. Known for blending indie pop with elements of EDM, jazz, and rock, BOZ refuses to be boxed into one sound. For this emerging artist, music isn't about staying still—it's about evolving, expressing, and breaking through barriers.

CONCERTS & FESTIVALS

BOZ has a full band behind her including a DJ, guitarist, bassist, drummer, and backup vocals. She plays LIVE upbeat sets all over LA including the Troubadour, House of Blues, Saint Rocke, & festivals / private events.
