ABOUT CRUSHER

Designer, entrepreneur, entertainment mogul, author, and philanthropist — "Crusher" is always the life of the party. Recently freed from prison after being handed a 100 year sentence and serving over 20 yrs on a drug conspiracy involving father figure Larry Hoover, and now a proud member of the elite Black Excellence Movement, Crusher's struggles and triumphs have received him accolades from the streets, peers, politicians, party-goers and professional groups alike.
