

THE LUCRATIVE ARTIST

BUSINESS AND LEADERSHIP DEVELOPMENT FOR ARTISTS

Wish you could earn more from your talents? Want to learn more about money in a way artists can understand?

Well, you CAN!!!

While sometimes talent is involved, it's more common that a lack of self-empowerment, not enough financial know-how and a "starving artist" mindset can keep us from accepting the possibility of earning more.

The **FINANCIAL EMPOWERMENT WORKSHOP** by **THE LUCRATIVE ARTIST** is designed to give artists and others of all ages, levels and backgrounds tools they need to start having a more empowering relationship with money, learn new business and negotiation strategies, gain further personal development, and envision how they can make themselves more valuable and plan for a life of compounding income.

FINANCIAL EMPOWERMENT WORKSHOP

- **Innovate new ways to earn from all you have to offer.**
- **Discover how to make opportunities pay for themselves.**
- **Create your own feel-good negotiating script.**
- **Become OK with saying NO!**
- **Learn how to earn without apology.**
- **Know the fundamentals of financial planning.**
- **Strategize for overcoming your personal money blocks.**
- **Realize the many ways you can make yourself more valuable.**
- **Envision a life of continuously multiplying income.**

The **FINANCIAL EMPOWERMENT WORKSHOP** by **THE LUCRATIVE ARTIST** is available in the form of a live webinar, and as a live seminar that can be hosted in half- full-or multi-day formats. It can be customized to meet the needs and goals of your school, program or organization.

MEET YOUR LUCRATIVE LEADER

Brian Witkowski is passionate about helping artists become empowered to have the successful careers and lives they truly desire and deserve. A versatile performer himself, Brian's experiences have spanned the globe in many genres including opera, musical theatre, sacred music, and art song. He holds a Doctor of Musical Arts degree and money-mindset certification and has taught and coached learners of all ages and backgrounds in a variety of educational and professional settings.
