

THE LUCRATIVE LEADER

ACHIEVE EMPOWERING AND TRANSFORMATIVE GROWTH

Does your organization's leadership seek further professional growth?

Looking to grow your members' value to the organization?

Do public speaking fears hold your leaders back?

Do your future leaders need more clarity?

Without a doubt, everyone already *is* a leader, and an even greater leader within always lies ready to further serve everyone's Highest Good!

While sometimes specific leadership or managerial skills matter, most often becoming the lucrative leaders the world needs us to be is only a matter of knowing what we already have, setting the right new goals, letting go of limiting beliefs, and not fearing success.

THE LUCRATIVE LEADER WORKSHOP

A seminar to help members of your organization enhance their leadership abilities, find deeper authenticity in their life and work and confidently become more valuable. Participants in this workshop will:

- ✓ ***Create new empowering beliefs aligned with their true purpose.***
- ✓ ***Acquire new tools and skills to empower, inspire and serve others.***
- ✓ ***Learn to better leverage their strengths and delegate their weaknesses.***
- ✓ ***Find greater confidence in their authenticity.***
- ✓ ***Become more comfortable with speaking in front of groups.***
- ✓ ***Set new goals for the global leaders they can become.***

THE LUCRATIVE LEADER WORKSHOP is available in half-, full- or multi-day formats and can be customized to meet the needs and goals of your organization and its members.
