

Hi Brothers

You are all to be commended for another stellar performance from July 2025 through June 2026. For the past 12 months we started strong and finished strong. Together we achieved unprecedented growth, top star award winning status, and consistent financial growth for over a decade.

In 10 years the KOC 8002 has raised over \$1.75 million to fund programs that helped our parish, our schools, the needy, veterans, college bound student, kids with special needs, the community at large, and Ronald McDonald House Charities helping families stay together in their time of greatest need. WOW!!!

Rest assured, we will not rest on our laurels as we move into the 2026-27 year. Our goal is to break every record we have set in the past.

Winfield and the surrounding communities count on us to thrive and we will.
