

## Manufacturers Recommended Rough Opening Sizes: Single Hung In-Swing Escape Window

These sizes are based on using 2"X pressure treated wood all the way around the rough opening. Thereby creating a wooden window buck that you will be attaching the window to. These size recommendations are designed to leave roughly a 1/8" space all the way around the window to allow for shimming.\*

### Always in stock:

Window Size	Recommended Rough Opening Size
28" W x 46" H	31 1/2" W x 49 1/2" H

**Please contact us for custom sizes and allow a 6-8 week turn-around time.**

\* These measurements are assuming that your rough opening is square, level and plumb.
