The Char-baagh – A microcosm of the Universe

- At the centre of a square garden is the **source of energy** (water) and it is from this energy that the thought/soul (garden) is nourished
- For the garden to flourish, this '**water of life**' must be channeled and distributed to all parts of the garden in a balanced and harmonious way

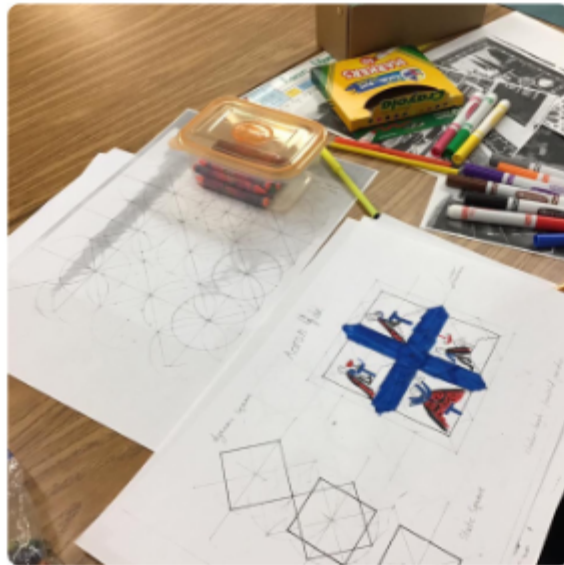

ONLY ONE ARM OF THE CHAHAR-BAGH IS A WATER CHANNEL.

CHAHAR-BAGH
