

Academy Rules

- All dogs must have a classroom placement prior to being accepted to our Academy. Our trainers will evaluate how much support your dog needs, and place your dog in Open Classroom or Teacher's Aid classroom. We reserve the right to re-evaluate classroom placement if your dog exhibits new behaviors that hinder their success or threaten the safety of classmates.
- To create a safe and consistent learning environment, our school is a closed campus. Our doors are LOCKED between 9am and 5pm, and overnight. You may pick up or drop off any time 7am to 9am, and 5pm to 7pm. *There is no grace period.* Please do not ask our staff for an exception. If you do not arrive within those time windows, your student will stay with us and you will be charged for overnight lodging or day school.
- Reservations for Day School and Lodging are required. You may book same-day if there are spots available.
- Required vaccinations: Rabies (including tag number), DHPP, DAPP or DA2PP, Bordetella (kennel cough), and Canine Influenza.
- If your dog is sick, please keep them home. This includes coughing, sneezing, runny eyes, diarrhea and vomiting. If in doubt, stay home.

- All dogs must be wearing a well fitted collar with ID tag. To ensure proper collar fit, you should be able to place two fingers between the dog and the collar. A collar that is too loose can be a serious safety risk.
- Dogs must be leashed at ALL times while on campus and in our neighborhood. If you forget your leash, a staff member will gladly escort your student to/from your vehicle. Violation of this rule will result in **immediate** dismissal from Academy and forfeiture of any prepaid amounts.
- There are many parking restrictions surrounding our school. Please pull into the parking lot for pick ups and drop offs.
- We understand how much you miss your fur babies! We will post pictures to our group Academy folder. Unfortunately we are unable to provide individual updates due to the number of dogs in our care. "No news is Good news"
