

# NOW LEASING

## WEST APRON HANGAR DEVELOPMENT

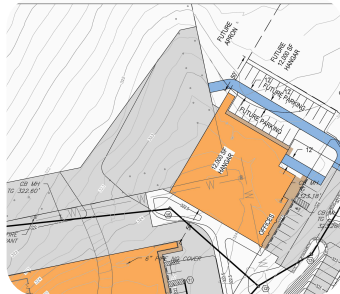

The Reading Regional Airport Authority is advancing the West Apron Hangar Development Project, a significant investment supporting RDG's continued growth and increasing demand for hangar space.

**Two** new hangars are **currently available** for lease, located on West Apron Drive and designed to meet the needs of modern business aviation.

### Hangar Features

- 15,000 SF total per facility
- 12,000 SF hangar space
- 3,000 SF dedicated office space
- 28-foot hangar doors
- Accommodates aircraft up to a Gulfstream G550

### Project Highlights

- Three new, modern aircraft hangars
- Supports expanding corporate and transient aviation activity
- Complements services provided by Reading Aviation, RDG's sole FBO
- Funded through federal and state grants
- Target completion: Q1 2027
