

To Our Community Partners & Friends,

Percy Priest Lake is the heart of our community—a place where families build memories, anglers spend their weekends, and neighbors gather to enjoy the outdoors. Keeping our lake clean, safe, and beautiful takes dedicated effort, which is why the Percy Priest Hybrid and Striper Club is proud to host the **Second Annual Percy Priest Lake Cleanup Day on October 24, 2026**.

Impact Snapshot: Last year, nearly 50 volunteers came together to haul away close to 100 bags of trash, filling an entire 20-yard dumpster with debris, litter, and large abandoned items removed from our shorelines.

Building on last year's success, we are aiming even higher this year. To support our volunteers, we provide free T-shirts, trash bags, gloves, cleanup equipment, and a free lunch. As a registered 501(c)(3) non-profit organization, we rely on the generosity of local businesses and community partners to make this massive effort possible. We invite you to partner with us as an official event sponsor!

Your tax-deductible contribution directly funds local conservation while highlighting your business or group as a leader in preserving our environment.
