

COORDINATION \$2800+

You may hear the words "day-of coordination" from other industry service providers, but with us, it's more than that! Our Coordination services provide support outside of just your wedding day. Coordination is perfect for the couple who's already got their date & venue booked, and are well on their way with the rest of their vendors. The Coordination couple can handle planning & details as well as staying on track with their own planning timeline & checklists. Coordination services aim at assisting the couple with support in pulling it all together with timelines, details, logistics, & day-of services.

Coordination services include the following:

- initial consultation
- access to our recommended vendors
- 1 halfway point check-in
- 1 final prep meeting
- day-of timeline creation
- hair & makeup schedule creation
- 1 hour ceremony rehearsal
- point person for all day-of communications
- setup & cleanup of client-provided personal items, decor, signage, tabletop items, etc.
- point person for all logistics & direction of bridal party & guests day-of
- up to 12 hours day-of services (additional hours available for additional charge)
- open lines of communication leading up to wedding day for questions, advice, etc. via email, text, or phone call

*price listed is a base price only & does not include any additional charges or fees based on date, location, scope, size, add-on services, etc.
