

WEDDING SERVICES

WEDDING MANAGEMENT \$3300+

Wedding Management is similar to Coordination services, but provides a little more support. Wedding Management services are perfect for the couple who needs all services from Coordination, but would benefit from more assistance to keep them on track & make sure no details are missed! The Wedding Management couple gets a bit more hand-holding & oversight with regularly-scheduled check-in meetings as well as more PW&E resources for planning.

Wedding Management services include all services from Coordination as well as the following:

- general planning timeline/ checklist to keep you on track
- RSVP tracking & food order reporting template
- access to our helpful planning guides & resources
- regular check-in meetings every 6-8 weeks to review general planning timeline/ checklist progress
- 1 venue walkthrough and/or catering tasting

*price listed is a base price only & does not include any additional charges or fees based on date, location, scope, size, add-on services, etc.
