

ALUMA-BRITE

Aluminum Cleaner & Brightener

Aluma-Brite is a specially formulated blend of powerful acids designed to remove dirt, corrosion and oxidation from aluminum trailers, tanks and siding. Excellent for restoration work. Aluma-Brite should be applied by means of a hand pump sprayer or brush. Not recommended for use through power washer pumps. Available in regular strength, extra heavy duty or econo versions. Regular is ideal for cleaning or brightening while extra heavy duty is for carbon black removal. Econo is for light duty cleaning.

A CCS ENVIRO-SAFE PRODUCT

- * **Economical**
- * **Non Flammable**
- * **Free Rinsing**
- * **Biodegradable**
- * **Rust Inhibitors Added**
- * **Removes Oxides**
