

Cement Floor Cleaner

Water Based Biodegradable Floor Cleaner

CFC is a custom formulated water based biodegradable cleaner utilizing leading edge surfactant technology. **CFC** will dissolve and remove most greases, oils, fats, carbon fuels, smoke, automotive undercoatings and cutting oils. **CFC** comes in concentrate form so you can dilute up to a 30:01 ratio depending on the nature of the job. Works in hot or cold water.

CFC is a proven Industrial strength cement floor cleaner used in warehouses, diesel and other automotive repair facilities. **CFC** is safe, reliable and easy to use. There are no nonyl-phenols nor phosphates. **We RECYCLE the barrels and totes.**

***CFC can be safely used in all types of Scrubbers and pressure washers.**

CFC is very effective when diluted in auto scrubbers, pressure washers and the old dilute, soak and scrub method. If the floor is very soiled, pre-spray the heavy buildup.
