

# BIO SOLVE VII & IX

## Organic Solvent Cleaners

### BIO SOLVE

#### Lemon Citrus All Purpose Cleaner/Degreaser/Deodorizer

Specially formulated cleaners to meet today's special requirements in environmental damage control. A biodegradable blend of citrus delimonene solvent, cationic surfactants and water conditioners that make excellent water emulsion solvent degreasers and all purpose cleaners with good deodorizing properties. Bio Solve can be used safely just about anywhere. Available in three strengths to meet any requirement; Bio Solve III for regular duty, Bio Solve V for heavy duty and Bio Solve VII for extra heavy duty needs.

**A CCS ENVIRO-SAFE PRODUCT**

- \* Safe To Use
- \* Non Flammable
- \* Biodegradable
- \* Free Rinsing
- \* Economical
- \* Rust Inhibiting

Keep out of reach of children!

Note: Can be used in machine or hand sprayers.

**Bio Solve is diluted with water.**

**Parts Washers:** Use full strength in stainless steel tanks. **CAUTION:** Bio Solve will remove paint when left for prolonged soaking periods.

Bio Solve VII should be used full strength or in dilutions up to 10 to 1 for heavy soils. For medium soils dilute from 20 to 1 up to 30 to 1. For light soils dilute from 50 to 1 up to 100 to 1. Bio Solve V and III are reduced by half each.
