

KRYSTAL STAINLESS STEEL

Organic Stainless Steel Cleaner

Krystal Stainless Steel Cleaner is a low PH organic salt that performs like acid. It is non-corrosive (to skin & metal) as per DOT/TDG test protocols. It is an exceptional descaler, delimer and will remove rust, soap scum and scale from most metals and concrete. This product does not activate on metals and will not burn skin. Does not fume like normal acids which eliminates a health hazard and reduces fear of handling. One of the best features of this product is its Biodegradability which meet modern environmental standards including the latest municipal regulations regarding nonyl phenols which took effect January 1, 2001.

A CCS ENVIRO-SAFE PRODUCT

- * Safe To Use
- * Non Flammable
- * Biodegradable
- * Free Rinsing
- * Economical
- * Rust Inhibiting

Keep out of reach of children!

Note: Can be used in machine or hand sprayers.

Warning: Do not come in contact with Bleach. Chlorine gas can be produced.

Krystal Stainless Steel Cleaner is diluted with water.

For proper dilution ratios, please contact a Canada Cleaning Systems Group representative for further information.
