

# NORTHERN LIGHTS

## Floor Finish

### NORTHERN LIGHTS

*Floor Sealer-Finish 24%*

Northern Lights is a high solids 24% sealer-finish that quickly dries to a hard porcelain like shine that resists soiling, water, detergents, alkalis, scuffing, black marks and heavy traffic. Floors can be recoated without stripping to deepen and increase protection. Good for asphalt, linoleum, terrazzo, vinyl asbestos and marble.

- \***Safe To Use**
- \***High Gloss 24% Solids**
- \***Non Flammable**
- \***Economical**
- \***Fast Drying**
- \***Easy Leveling**
- \***Scuff Resistant**
- \***Detergent Resistant**

#### DIRECTIONS FOR USE

All old wax finishes must be removed and floor should be clean and dry before applying. "Killer" floor stripper is recommended for fast stripping action without dulling or damaging the floors. Saturate the applicator thoroughly and spread thinly and evenly on the floor. Let dry approximately 20 minutes. For best results 3 coats should be applied.

**MAINTENANCE:** Treated floors may be returned to original lustre by using a damp cloth or dry mop to remove dust and debris from surface. Northern Lights may be polished if desired.
