

Spray Wax

Super Concentrate Spray Wax

Spray Wax is formulated to displace water with a car wash blower system or sheet off in a coin-op. It will leave a film on the vehicle that will enhance the natural shine of the car or truck.

- * Safe To Use
- * Non Flammable
- * Biodegradable
- * Free Rinsing
- * Phosphate Free
- * Economical
- * Protective Coating
- * High Dilutions
- * Lemon Smell

Dilute concentrate 1 part concentrate to 80 parts water. Pick up mixture with a Hydrominder and deliver 1 to 2 ounces per vehicle.
