## CASSITERITE - TINSTONE

*The Stone of Grounding and Transformation*

### **Grounding- manifestation- personal power**

Cassiterite connects one's consciousness with the deep Source. It is a stone of initiation and the threshold, the liminal space between worlds, making it ideal for shamans, mediums, channelers, and all those who work in the "other world." Cassiterite stimulates the lower chakras, root, sexual/creative, and solar plexus, as well as the Earthstar below the body and the Soul Star and etheric chakras above the head.

### **Emotional Properties**

## CELESTITE

*The Stone of Spiritual Development and Growth*

### **Spiritual connection- communication- peace**

Celestite primarily comes in clusters and is ideal for placement in one's bedroom, healing room, or meditation space as an environmental cleanser and source of soft, positive energies. Its vibrations radiate in all directions, making it wonderful to have around, although it is somewhat less useful for healing or meditation work that requires focus on specific chakras or meridian points. Celestite offers a gentle, uplifting energy, raising and expanding one's awareness into the higher realms.
