

FOSSILS

The Stone of Transformation and Evolution

Connection to the Past- Grounding- Wisdom

Fossils can ease atrophied muscles, strengthen bones, and aid in disorders of the hands and feet. They bring harmony, dignity, and splendor, and awaken interest in mysteries while releasing mental obsessions. Fossilized shells, in particular, are believed to be symbols of yin and yang and reflect the dynamic of nature's creative force. They can balance energy fields, renew physical energy, and connect us to ancient wisdom when meditated with.

DINOSAUR BONE

The Stone of Connection to Earth's History

Strength- Perseverance- Connection to the Past

Dinosaur bone is believed to be effective in treating fractured bones, paralysis, and hearing issues. It has emotional healing properties that can calm anxiety and tension, tie a person to their past, and enhance memory and energy. Some dinosaur bones have the ability to heal easily, even from massive trauma that would be fatal to humans if not treated.

MEGALODON TOOTH

The Stone of Protection and Manifestation

Protection- Connection to the Past- Intuition

Megalodon teeth can help with power and wealth and assist in clear willpower. They are an ideal stone for business owners to provide protective energy and strike a chord with one's predatory abilities. They are a natural link to the water element and have been known to provide protection against evil spirits and keep sailors safe at sea. Additionally, the teeth help with power and wealth, clear willpower, and are ideal for business owners. Many ancient cultures considered finding a shark tooth a good omen and believed it brought good luck for life.

PURPLE HALITE

The Stone of Mental Clarity and Personal Power
**Spiritual Growth- Mental Clarity- Connection to the
Divine**

Purple Halite, also known as "Royal Salt," is a crystal that is renowned for its metaphysical properties. This beautiful crystal is formed from the evaporation of ancient seas, and its distinctive purple hue is due to the presence of potassium and other trace minerals. One of the most notable benefits of Purple Halite is its ability to enhance spiritual awareness. It helps individuals connect with higher realms and access deeper levels of consciousness, allowing them to gain a greater understanding of their place in the universe.

BLOODSTONE HEMATITE

The Stone of Courage and Protection

Vitality- Recovery- Connection to the Earth

Bloodstone hematite, also known as bloodstone or heliotrope, has been used for centuries for its supposed healing properties. It was believed to have the power to stop bleeding and heal wounds, as well as to purify the blood and protect against illness. In the Middle Ages, bloodstone was used as an amulet to protect against the evil eye and to ward off evil spirits. It was also believed to have the power to bring victory in battle and to increase courage and strength. Today, bloodstone is still used in alternative medicine and is thought to have a grounding and purifying effect on the body and mind.
