

We use this Family Survey as general background for yourself and family so we can consider careers, schooling, location et al. The survey is used for migration planning.

The survey takes 5-10 minutes to complete.

Please email back to mark@ablemedico.com.au

The Lifestyle survey is an important part of the Due Diligence Report.

Tell us About Yourself

Your first name

Last Name

Date of birth (dd/mm/yyyy)

Email address

Address

City/Town/Suburb

State/Province

1 being the MOST IMPORTANT to 5 being the LEAST IMPORTANT

Your ranking Your spouse or partner ranking

Career opportunity

Lifestyle opportunity

Financial security

Education for Family

Education for Yourself

We need to ask about your Medical Registration and Criminal History (both are required by the College, Medical Registration and Migration)

Have you ever had your Medical Registration cancelled, refused or suspended?

Have you been or are you currently the subject of conduction, performance of health proceedings?

Have you been or are you currently subject to any restrictions or limitations (including voluntary) under any law or regulation?

Do you have any criminal history in any country?

If you have responded YES to any of the above, please provide details below (we will contact you to discuss further).

Medical Conditions

Please let us know if yourself or family have any Medical Conditions?

Career and General Information

Please describe your career aspirations for the next 5 years. What does your ideal role comprise?

What is the Career OR Other aspirations of your spouse or partner?

Have you undertaken any research where you prefer to live in Australia?

Please let us your expectations of us? Timeframes? Anything at all.

Any other comments.
