# FAREWELL TO N.L.H.S.

Annual Staff: Jennifer Schatz, Sara Baesler, Robin Pastian, Angie Suggs. Front Row: Patricia Seidler, Aaron Achtenberg, Craig Okken, Shirley Roehl, Advisor.

# “THE CHAOS OF CLOSING”

This annual is dedicated to the final year of New Leipzig High School. The opposite page contains pictures of the last Senior Class, the last Staff, the last Tiger Basketball team, and the last Annual Staff.

This page is proof that closing the high school made everything go “crazy.”

So what was the cause of all this chaos? We asked Mr. Bentz if he knew what the problem was, but he didn't have a clue. Rhamie Hauck found the situation very sickening, but Mrs. Hintz just had to laugh. The situation worsened when Brian Mueller had a brush with death (in a skit); so why is everyone laughing? The picture of Jed Korth and Kelly Hochhalter, who by chance dressed as twins, speaks for itself.

In closing, we hope to make some sense of this situation through this year's Annual. We hope you enjoy the “FAREWELL ANNUAL” of N.L.H.S.

Co-editors, Aaron Achtenberg  
& Craig Okken

There are over 1000 men and women who are the ALUMNI of NLHS. From the first graduating class in 1924 until the final class of 1994, all have special memories of their high school years. Teachers and staff of those years also share in those experiences of life in a small town. Sports, music, drama, friendships, and high school sweethearts are part of the memories for many.

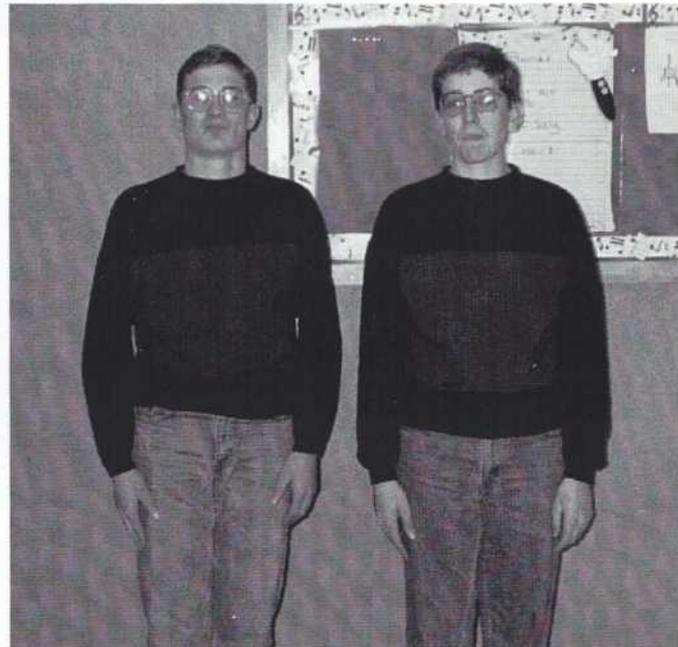

Graduates of NLHS have gone on from here to find work and careers in all fields around the world as well as here in North Dakota. We can be proud of, and thankful for, the education received here.

We thank all of those who have served on the School Board, and the many Administrators, Teachers, and staff who have given of their time and talents to our school system.

We wish the best to our students in Kindergarten through grade 8 who will continue in New Leipzig. We welcome the students from the Elgin District in grades seven and eight who join us next year. We know our students in grades nine through twelve will be welcomed into the New Elgin/New Leipzig High School at Elgin.

All-School Reunions for New Leipzig are planned for every ten years, with the next one to be held June 30, July 1 and 2, 1995. We hope many will come home to celebrate New Leipzig's 85th Anniversary at that time.

To New Leipzig High School — “Thanks for the memories.”

# SENIORS' NEW YORK TRIP

**Quotes about the trip:**

*Aaron A.* Show was O.K., could have been better. Wish we could have kept the denim shirt. Crew at show was nice.

*Aaron F.* Subway ride was different, I'd rather be on my motorcycle. Ellis Island was kind of neat, would be nice to know more about relatives.

*Matt H.* I really like the subway. Statue of Liberty was tiring but fun.

*Cody H.* Craig & I will come back after we graduate. It was a good day. I wanted to keep the Bugs Bunny leather jacket.

*Kary H.* Met some cool people. Sick of crosswalks. Very sick of paying \$10 a meal. Statue of Liberty was really cool, glad I got to see it.

*Eric H.* I am tired and want to go home. I am sick of paying lots of money for nothing.

*Jed K.* Glad when show finally over. Kinda disappointed didn't find the right girl after all the interviewing. Can't wait to get back to N.D.

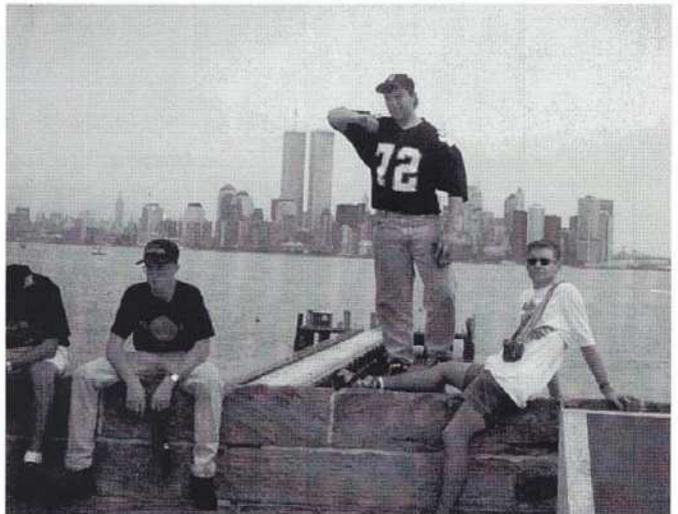

*Brian M.* Subways smell like they say they do (bathroom like) Seeing plastic sacks for clothes, real sad.

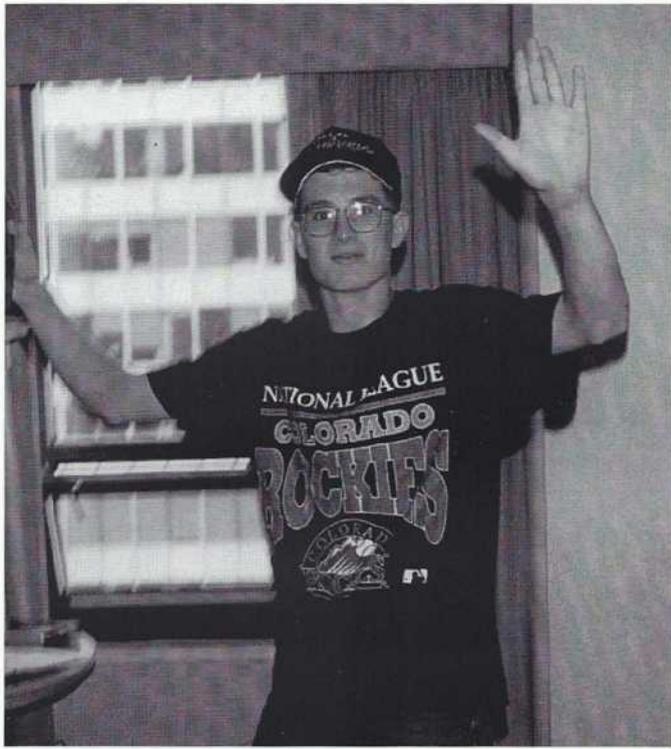

*Craig O.* I think Statue of Liberty should have bigger head. Air Conditioner would have been nice. Subway's make too much noise. NYC skyline is awesome. I like wearing leather pants — NOT

*Lincoln R.* Statue of Liberty kinda neat. It was neat to see how many Roth's came through the harbor at Ellis Island.

*Jeff W.* Subway not what I expected — no graffiti. I thought the Statue of Liberty would be taller. Ellis Island pretty cool.

*Mrs. Hintz:* The plane landed at Bismarck and we were all very glad we had gone, but very glad to be home. Bismarck looked so small compared to what we had seen.

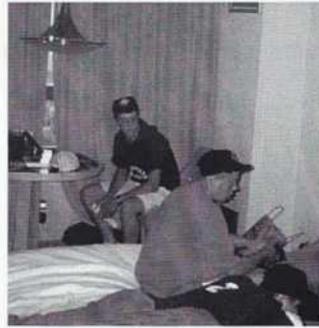

The Class of 1994 went to New York City August 28-31, 1993 to be guests on the Montel Williams Show. The producers of the show read about the class in "USA Today" and wanted to be the first to feature them on a program. Information about this class of 11 boys appeared in a number of newspapers.

Pam Hintz, class advisor, and the boys left on their all expense paid trip on August 28. They arrived at La Guardia Airport during a brief but heavy thundershower. Lincoln Town Cars took them to their hotel, Embassy suites. During this ride, the North Dakotans soon realized that New Yorkers are dangerous drivers. Wearing a seat belt is a must! The hotel was about two blocks from Times Square so the streets were always busy.

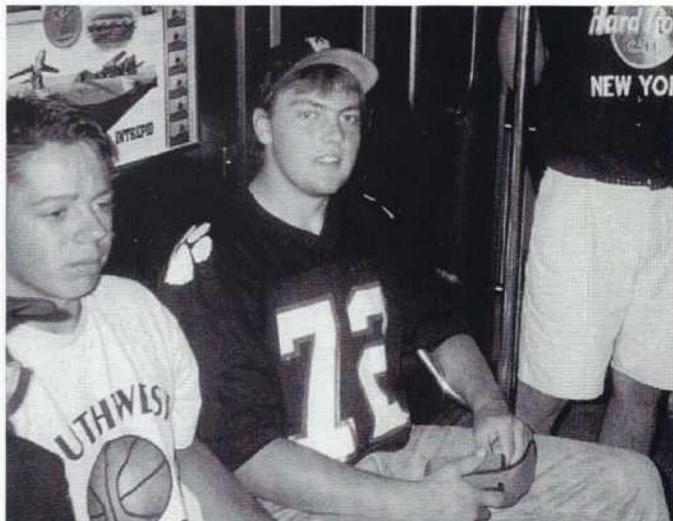

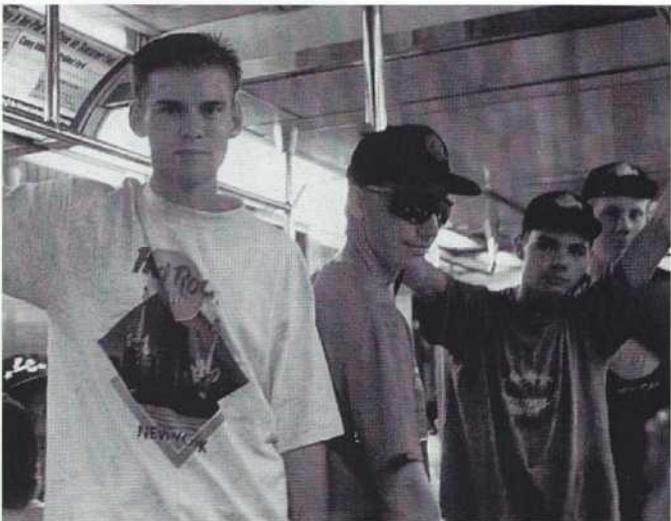

While in New York, they visited many places of interest. On Sunday they did taping for the show at the Empire State Building and Hard Rock Cafe. In the evening, they walked to the Rockefeller Center and Radio City Music Hall.

Monday, they ventured out to Battery Park via the infamous subway. From there they rode the ferry to see the Statue of Liberty and Ellis Island. Climbing the statue was exhausting due to the heat and humidity, but the excitement of the trip kept everyone going.

Nervousness had set in by Tuesday morning as the production assistants came to get the group. It was exciting for everyone to be able to enter into the studio and see how a talk show is done. The boys finally met some girls their own age at the show with whom they got to visit. After the taping of the show huge amounts of pizza were consumed by the group and addresses were exchanged between the group and the girls. Too soon for some of the guys, it was time to leave for the airport.

Most of the class will relate stories of the homeless, the smell of the city, the expensive food, and how little one sees of the sky; however, every one of them is glad to have had the opportunity to see New York City. It was a great adventure for the Class of 1994.

The final year of the "TIGERS" was a good one. The games were exciting and good crowds came out to support and encourage the teams. The usual "rivalry" between Elgin and New Leipzig added to the fun, and we were able to defeat the last "DUTCHMEN" team twice before they beat us in the last game of the District tournament. Both teams advanced to the Regional tournament and were defeated there in the first round. Next year we all become "PANTHERS" and look forward to many years of playing together.

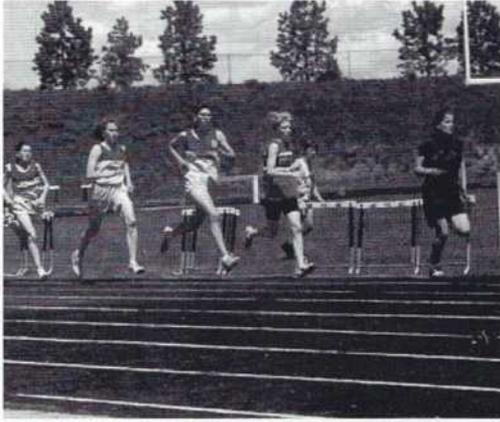

(District Tournament places: 1 — Glen Ullin, 2 — Standing Rock 3 — Elgin, 4 — New Leipzig)

New Leipzig has had many fine athletes participating in track events over the years. This year Kary and Shandi Hertz qualified for the State Meet. Kary, a senior, ran the 3200 meters. Shandi, an 8th grader, took 6th at State in the 1600 meters. She also ran in the 3200 meter run.

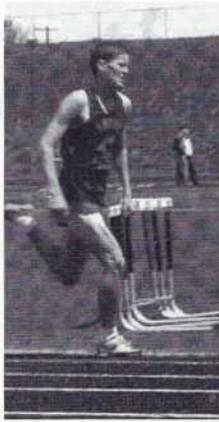

Many N.L. athletes took part in the State Track meets over the years, but few have set STATE records. Joleen Imhoff, who graduated in 1985, set State records in the 100, 200, and 400 meter runs. Her record of 57.19 seconds for 400 meters was set in 1985 and still stands in 1994.

“It’s So Hard to Say Goodbye to Yesterday”

Empty classrooms, students not attending classes, and Teachers auctioning off prizes for gold slips acquired throughout the year — this could only mean one thing, the LAST DAY OF SCHOOL had arrived! It was not only the last day of the 93-94 school year, it was also the last day of high school at NLHS. We hope this Annual will bring back memories to the students, as well as share these memories from the last year at NEW LEIPZIG HIGH SCHOOL with everyone else!
