Dear Sharks:

We would like to thank the great team that you sent to Yulee Elementary School to help us celebrate our "Read Across America" week. We really appreciate Jason, Catherine, Marvin, and Kyla taking the time out of their busy schedules to join us. The students and teachers loved hearing Jason, Marvin and Kyla read Dr. Suess to them and answering all the questions relating to their jobs in the Jacksonville Sharks' organization. The passion they have for their sport and being involved in the community is evident.

I am sorry that I was not able to be there because I heard such great things about the morning. Thank you again for being involved in the community and I look forward to partnering with the Jacksonville Sharks again in the future.

Sincerely,

A handwritten signature in cursive script that reads "Bryce Cubbal".
