

Tutor Profile: Chantal

Functional Skills Maths Tutor (Level 1 & 2)

A friendly, experienced tutor specialising in helping young people and adults build confidence and pass Functional Skills Maths. I break everything down into simple, easy-to-follow steps using real-life examples.

What I Offer:

- 1 to 1 online tutoring
- Level 1 and Level 2 Functional Skills
- Clear explanations, patient teaching
- Tailored lessons + Practice Questions

Experience and Qualifications:

- 10 years FS Tutor Delivery
- 5 Years experience of one to one tuition
- Level 5 CPD Teaching Functional Skills Maths
- Experience working in colleges and for private training providers

Who I Work With:

Adults returning to education | Apprentices | Learners with maths anxiety | Students needing Level 2 for uni/career
