## Acknowledgments

**How could we not want to recognize those that have helped to make this album possible!**

First and foremost the two Families that belong to us and support us!...The Osborns (Gloria, Judy, Big Bob, Bob Jr, Billy, Tucker Bear & Maybelle...Liz's Tommy too!) and The Campbells (Jayne, Jill, Kris & Marley), Jeff Taylor for being our Nashville band leader, guiding us through the recordings at Studio 19 in Nashville, assembling just the right engineer & talented players to take our songs to the next level...and for just being a wonderfully talented and giving person, friend! Our extended friends and family that continue to be there, even when it's miles away or States away, especially Keith for introducing us, Sue, Kathy & Joe, Pat & George, Dawn & Bob, Bill & Dan, Chris & Lisa, Ken & Cheryl, Mike & Colleen, Sean & Liz, Shaun Smith, Biscuit Billy for creating our posters, Simone for all her graphic support and for designing our album and the so many more that we'd like to mention, but we can't afford to add another panel to this jacket. And most importantly we want to thank God for bringing us together.
