Positions at the Area level	11/15/2015	SUBMITTED BY: Policy Subcommittee Motion: No one individual be allowed to hold more than one position at the Area Level. These positions include ASC Chairperson, Vice-Chairperson, Treasurer, Assistant Treasurer, Secretary, Assistant Secretary, RCM or RCM-Alternate, nor any Subcommittee Chairperson or Vice-Chairperson, Treasurer or Secretary; or their respective subcommittees. Added to ASC guidelines as 21 a).	Intent: In keeping with the spirit of the Fifth Concept — For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined. When we first create a service task, we should consider what kind of authority we must delegate in order for that task to be accomplished, and what kind of accountability we should require of those to whom we are giving that task. Then, one particular trusted servant, service board, or committee should be designated as the single point of decision and accountability for that assignment. This simple principle applies to all the services provided in Narcotics Anonymous from the group to our world services. Explanation: It is in conflict with our Fifth Concept. ASC Vice Chair Removal cont'd	7/20/2025	Motion to remove ASC Vice Chair cont'd	• Tradition Two: "For our group purpose, there is but one ultimate authority-a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern." Trusted servants are expected to act in alignment with the group conscience. The Vice Chair has repeatedly ignored guidance from the group and fellow servants, instead asserting personal authority. Conclusion: In light of these violations and the potential harm to the fellowship, we believe it is both necessary and appropriate to remove the current Vice Chair and reassign responsibilities to a member who will act in accordance with our shared principles, the AREA guidelines, and the spiritual foundation of Narcotics Anonymous. Secretary Assistant/ CLACNA 14	7/20/2025	MOTION: To establish an Assistant Secretary Position for the CLACNA Convention Executive Body Submitted by: CLACNA XIV Executive Body Motion: We move that the governing body of AREA L.E.G.S. approve the creation of an Assistant Secretary position within the CLACNA Convention.	Explanation: At this time, the CLACNA Executive Body does not include an Assistant Secretary, unlike other roles across AREA subcommittees that have designated support positions. The addition of an Assistant Secretary would enhance the operational effectiveness of the committee, ensure continuity of documentation, and promote greater accountability and leadership development. This motion is proposed in the interest of: 1. Continuity of Service: In the event the Secretary is unable to fulfill their duties—such as taking minutes, maintaining records, or communicating with members—the Assistant Secretary could step in to ensure these vital functions are maintained without disruption. 2. Accountability and Accuracy: Having a second trusted servant involved in documentation adds a layer of verification and quality control. This strengthens the integrity of meeting records and other communications. 3.
