WE AT H.O.W. ON SAT NITE, CONTINUE to celebrate recovery and carry the message every Saturday at 7p.m. WE still get 3 to 10 newcomers a week. However WE ARE struggling with the spirit of rotation. Our secretary and treasurer have been in those roles for over 3 years. WE haven't found anyone with the willingness to step up and rotate with those addict. However, in spite of this challenge WE are still keeping the doors open to ~~any~~ any addict seeking recovery.

**GROUP REPORT**NAME OF GROUP: Wake up and live

We continue to thrive as a group, having an average of 20 to thirty in attendance each week. At the last business meeting we reminded each other of the importance of service and that Area needs people with willing to serve in any of the positions on the front of the minutes. Although there were none, we will continue to remind and keep our members informed.
