RD Report to BRSCNA,
August 8, 2020

Today is Day Two of the second part of the World Service Conference. During the first part of the Conference back in April, participants passed an emergency budget and several project plans. We also agreed to meet in this second part of the Conference to discuss and vote on the motions proposed by regions in the 2020 Conference Agenda Report. Yesterdays sessions were very productive. There was also a nice pace, everyone was focused, and I felt that spiritual connection we get when we are together. All of that was missing from the first part of the Conference, so it is encouraging that the second part is so much better.

We started the session with a decision on how we would conduct discussion and decision-making. The process used at each World Service Conference is always evolving and the World Board did a great job of adapting our process to an online platform and this motion was passed with unanimous support.

Next, we approved the minutes from the last WSC in 2018, and then moved on to CAR motions.

The "Mental Health in Recovery" IP was approved with unanimous support. There was support for the motion to create audio formats of our literature in Spanish and the final decision on that motion will be made at the end of the conference. We passed the motion to direct the Board to create a project plan for an informative video about NA for public relations efforts.

We spent a great deal of time on the CAR motion to direct the Board to create a project plan to create a guide for online meetings. That motion passed with consensus support, but there was an amendment that was debated and ultimately failed. The amendment involved the recognition and registration of online groups.

Finally, we approved some minor changes to the Guide to World Services in NA.

During the sessions today and tomorrow, we expect to vote on zonal seating and whether to seat two regions who have applied: Minas and NW Russia. We will also likely continue the suspension of the Fellowship Intellectual Property Trust that began in 2018. The IP about Women in Recovery proposed by Iran will be our last order of business. I will post a final report of motions passed on Slack.

The only other thing on my radar is the upcoming planning session of the Midwest Zonal Forum, tentatively scheduled to occur in the Ohio Region, but which may become a virtual meeting because a facility willing to host the Forum cannot be found.

Thank you for allowing me to be of service.

G.L.A.S.C.N.A. Regional Committee Member Report August 8, 2020

Considering recent events, GLASCNA is meeting, but we are struggling to get enough GSRs in attendance to vote on any motions.

There have been several meetings within GLASCNA to open face to face meetings, but we are meeting outside in parking lots. All meetings have requested that face coverings and social distancing be in place to protect both the group and individuals.

Lastly, we have several positions up within GLASCNA and will be voting on those members today August 9, 2020. I will provide a new list of contacts at the next Buckeye region meeting.

Gratefully,

Pepper S.
Regional Committee Member

[NEOASCNA] RCM REPORT

I'm sorry I'm on 7/12's with work I will not be attending. I want to fill you guys in though. NEOASCNA has not yet had any type of Area meeting. No business is being conducted. Several attempts were made by executive board members, and only couple GSRs. Our hall to have ASC is still closed down because of covid. Meeting via , and different locations have been said but not enough GSRs or executive body member care. Sad to say. On a side note I will be resigning from RCM, and my term concluded June of this even year.

A New Area in Columbiana County has started also with 9 home groups. Two from Mahoning County also. NEOASCNA served 5 of these groups previously. The old Area of Columbiana County which had 3 meetings dissolved into the new area. I'm part of the new area as is my home-group. We had our first area meeting, and elected executive body. Chair, secretary, treasure, and several alternative positions were voted in. H and I, and RCM will be voted on this following Sunday at the 2nd meeting. The Area has not a name yet, which had to be voted on by the home groups. Same which a region, which could be Buckeye, Tri area, or Ohio. I'm taking a guess it will be probably be Buckeye . I will keep you guys in the loop.

Hello Buckeye Region.

WAGS area is slowly opening back up.
We currently have 32 meetings back open in person.

Our ASC is more difficult as it is held in a medical facility. We have been conducting our monthly meeting on Zoom.

The area campout is being held this weekend August 8, 9, 10.

We have no donation at this time. Thank you for allowing me to serve.

Good to be here clean with all of you!

Schedules - out of booklets - still have about 500
quads from February - not ready to print as of
yet till the meeting situation stabilizes. Planning
on including any zoom meeting that decide to continue
In the meantime check the 1-888-GET-HOPE line for
meetings ~~on~~ both in person and on-line. I'm asking all
the areas to let the HELP LINE know what meetings are
opening back up and zoom info. AREA WEBSITE SEEM TO
BE KEEPING THINGS UP TO DATE AND THANK YOU FOR THAT

My term ~~is~~ UP AS YOUR PR CHAIR I STARTED 8-16. I've let
2 addicts know whom I thought may be interested in taking
over. IF THE NEW CHAIR ~~is~~ DESIRES OR THE COMMITTEE
WISHES I AM WILLING TO CONTINUE THE SCHEDULES
UNDER THE DIRECTION OF EITHER. I AM CURRENTLY UPDATING
world which in turn UPDATES THE BMLT.

It has been a privilege serving. THANK YOU

I felt it necessary to add this addendum to my report. I was blindsided by the 'inquisition'.

Just because I do not know all the particulars of something does not mean that something subversive or detrimental to our region is happening. It was a year ago that Nate V. our Webmaster got the BMLT up and running. He let me know the passwords and the security system that was installed but since it had been a while I forgot this info

I've worked with Nate V for four years now and know in my heart that he has the Region 's best interest at all times. I trust him implicitly. I understand that any wrong doing whether perceived or actual comes down on me

Anyway. Thanks for allowing me to serve these last 4 years
