AREA L.E.G.S. - LAKE ERIE GENERAL SERVICES.

9/15/2019

Dear Area Service Committee:

In approximately April 2019 I received \$50.00 from the ASC to fulfill the Literature Subcommittee operating budget. Since that time I have not turned in receipts for that purchase. Therefore I have not been able to request an operating budget.

I have conferred with my Higher Power, talked to my Sponsor and another recovering addict; and have addressed my error/s in the matter. I realize that I was not responsible in the matter and I am asking the ASC for forgiveness.

I am asking that the ASC forgive my past actions and grant me the operating budget as requested. I have learned from my mistake and pledge to be forthcoming in this matter in the future.

Thurman B. (Literature Chairperson)

POLICY SUBCOMMITTEE REPORT

September 15, 2019

Meeting opened with a moment of silence and the Serenity Prayer.

The Twelve Traditions and the Twelve Concepts were read

We observed a one-minute application of the Eleventh Step.

Subcommittee Purpose and Guidelines were read

Subcommittee minutes were read and accepted.

Old Business:

We tabled the discussion of Procedures 8, 9, & 10 to the next Policy meeting. We completed GSR Basic Package-for GSRs and will be handing them out at AREA. We discussed changing the date the Area minutes are uploaded to the website and voted to have them uploaded on the first Sunday of the month.

New Business:

We discussed and determined that the last report from the Ad-Hoc for Exploration of a convention, was out of order. The Chair made a decision (that a convention was feasible) at the ASC meeting without having a discussion or vote at the previous Ad-Hoc meetings. The Ad-Hoc report accepted in the minutes of August 18th did not reflect the discussions and or the voting that took place at the previous three Ad-Hoc meetings.

Therefore, the Policy Subcommittee is requesting that the Ad-Hoc report in the August 18th ASC minutes be null and voided. Also, since the Ad-Hoc has been dissolved, we are requesting all previously acquired information be turned over to the Policy subcommittee. The Policy subcommittee wants to make sure that the original intent of the motion from the Serenity on Sunday Morning group is carried out.

Attendance Sheet attached carry out

AREA L.E.G.S. – LAKE ERIE GENERAL SERVICES

BASIC GUIDE FOR NEW GSRs

If you are at the Area Service Committee (ASC) for the first time...WELCOME

If you've been here before you still might find this useful

Why do we need an ASC?

- It is the vital link in the chain between the individual recovering addict in the group and the rest of the worldwide fellowship. Without it the groups would be isolated.
- It provides a forum of information to help co-ordinate groups and subcommittees.
- The area receives donations from groups, in accordance with Tradition Seven, to maintain our services and further our primary purpose – to carry the message of recovery

Who's Who at the ASC?

Chairperson – Facilitates the ASC meeting and ensures that the ASC keep to the agenda of business

Vice Chair – assist the area chairperson and stands in if the area chairperson is absent. The vice chair communicates with the sub-committees and stands in if a subcommittee does not have a chair or vice chair

Secretary - record what happens at the ASC in the form of minutes, which are available online the Friday before the second Sunday of each month

Sec Update
online
9.15.19

Secretary Assistant – assist the Secretary

Treasurer - keeps the bank account in order, receives donations, pays the bills, ensures that the subcommittees have the funds voted on and keeps a record of all transactions

Assistant Treasurer – assist treasurer

Regional Committee Member (RCM) - the link between the Area and the Buckeye Region

Regional Committee Member Alternate – assist the RCM and stands in if the Chairperson is absent

The positions listed above are considered the Executive Body of the Area Service Committee

Area Subcommittees

Activities – Merchandise – Policy – Public Relations (PR) & Phonelines - Literature - Hospitals & Institutions (H&I)

Group Service Representative (GSR) & GSR Alternate– link between the group and the Area.

What the GSR needs to do at the ASC

- The GSR is selected by their group to serve as an active member of the ASC and is committed to attend each ASC but is accountable to the group not the ASC
- The GSR takes the group's donation to the ASC and gives a report on the current status of the group
- Keep in mind Tradition Twelve, particularly during any voting, and carrying the group's conscience

AREA L.E.G.S. – LAKE ERIE GENERAL SERVICES

What the GSR needs to do outside the ASC

- Relay information from the ASC back to the group. The best way to do this is usually with the ASC minutes, which should ensure accurate information
- Attends the group's business meeting at least once a month. usually held once a month before Area meeting
- Keep the PR Chair and the Area informed of meeting changes to avoid addicts being misdirected.
- Become familiar with the 12 Traditions and the 12 Concepts of NA service.
- Attend any of the Subcommittee as part of their group's active participation in the service structure.

Carrying the Group's Conscience

From time to time issues arise at the ASC that need the input from all the groups within the area, in this case, the GSR needs to give the group all the relevant information at a group's business meeting. The group will eventually reach a conscience on that issue. This is the Group's vote that the GRS will carry to the next ASC.

Voting

This can be confusing, so it is important to ask if you need something explained. All remarks and questions made in a committee meeting such as the ASC must be directed through the Chairperson or Subcommittee chairperson. This involves attracting the Chairperson's attention via a raised hand. Only GSRs may vote on ASC elections. If the GSR or GSR alternate does not attend the ASC, the group does not get a vote.

When voting on a motion – the ASC Chair will ask the voting body (GSRs) **Business** (discuss and vote on motion at the ASC meeting) or **Policy** (send back to groups to vote and bring vote back to next ASC meeting). Another option is to refer the motion to a Sub-Committee. A motion made on the ASC floor by a GSR must have a second by another GSR. A motion coming from a group does not need a second.

The three voting options are "FOR" "AGAINST" "ABSTAIN", You should abstain if you don't have a clear conscience from your group or, as in the case of elections you are unsure.

Read Area L.E.G.S. Guidelines for more information on voting. Read the Guide to Local Service, for more information on Motions.

Donations

Do not bring large cash donations to the ASC, it is suggested you bring your group's donation in the form of a check or money order. Also make sure the Treasurer gives you a receipt to take back to your group.

If you have any questions, please don't hesitate to ask them. Remember: Service is good for recovery

Buckeye Regional Service Committee of Narcotics Anonymous
Regional Delegate Report, August 2019

Next weekend, the Buckeye Region hosts the Midwest Zonal Forum in Warren, Ohio. The two-day meeting will be held at the Park Hotel on Courthouse Square in Warren. I negotiated a conference room rental rate of \$200 per day and have paid the \$100 deposit. I have a receipt for that deposit and an invoice showing the balance due as \$347, which will be billed to my credit card next week. I will be seeking reimbursement for the deposit and an advance for the remaining balance, for a total of \$447. The MZF will reimburse regions up to \$400 for conference room rental. In my experience so far, some regions request reimbursement and others do not. We can discuss what this body wants to do during our sharing session. All members of NA are invited to attend any part of the MZF meeting, and encouraged to join the MZF at the workshop on *DRT/MAT As It Relates to NA*, facilitated by trusted servants from the Zonal Forum. The workshop will be held during the TASCNA Howdown event at 4:30pm. The schedules for the MZF meetings and the Howdown are on the flyers.

One of the ways that Zonal Forums in our part of the world are serving the fellowship is by coordinating large service-oriented events with speakers and workshops on all areas of service within NA. The Midwest Zonal Forum is holding our first of these, the Multi-Regional Service Learning Days, in Racine, Wisconsin, the weekend of September 13th. Regional Delegates from within the zone are strongly encouraged to attend and participate, but it would be up to this committee to send me. Racine is pretty far—about a 7 ½ hour drive. I estimate gas would be about \$155 and lodging \$218 for two nights. I would prefer to pay my own registration and meal costs, so the total expenses would be about \$273. There would also be room for three or four other addicts to go along, though we may need to re-evaluate lodging costs if women will be joining. Personally, I am ambivalent about going, mainly because of all the driving, but feel Buckeye should support this MZF event.

Perhaps influencing our decision is the fact that the Zonal Forum will be holding its next business meeting in Illinois November 8-10 and then the Zonal CAR/CAT workshop will be in Michigan in January.

Finally, a reminder that the deadline for input on the first round of entries for the Spiritual Principle a Day book project is September 1st. Learn more about the project at na.org/spad. I've been reading the drafts of entries and they are amazing. This first batch of drafts feature the principles of Unity, Acceptance, Surrender, and Love.

In grateful service,
Mark S.

GLASCNA Website Report

- 1) Registered GLASCNA.org with NAWS
- 2) Updated Freedom Group of NA format in BRSCNA schedule as well as some other meetings
- 3) Added Life without Chains to NAWS, APP, and BRASCNA meeting list
- 4) Disconnected glascnaliterature@gmail.com email forward
- 5) Removed the literature order form from GLASCNA.org
- 6) Added a link to the NAWS online order catalog from GLASCNA.org
- 7) Updated the GLASCNA Guidelines on website

To bring everyone up to speed....When setting up the glascna.org website I spoke to Allie J. at world. Then also spoke to her again to clear up some confusion regarding how BMLT works in conjunction with NAWS web page and App. They informed GLASCNA that they would like to get all areas/regions to use the Basic Meeting Locator Tool (BMLT). This is a program written by Danny G. to assist NAWS with keeping track of all meeting updates on the NAWS meeting web page and the app. In the past area/regions have used an excel spreadsheet to update NAWS of any meeting changes. These changes were updated in the NAWS system quarterly using a spread sheet. This way of doing changes/updates has become obsolete! The BMLT system is what NAWS prefers. It is much easier to import and export meeting information and updates. NAWS does cross reference their existing list with BMLT. GLASCNA/BRSCNA is using the old obsolete system still and NAWS must manually cross check our meetings. Again, the BMLT is a very efficient way to keep track of all the meetings across the entire globe! It also gets great feedback from the people at world. It is a great system for everyone to stay on the same page seamlessly and is very user friendly.

Spoke to Allie J. at world regarding a list of all BRASCNA meetings as the database shows currently. Attached is the spread sheet for GLASCNA. The remaining area meeting list has been saved for future evaluation.

Initiated a ZOOM conference call with Danny Gershman (basic meeting list toolbox spearhead), Jonathan B, Patrick J, Mark S., and AJ S. These are all people involved with the BMLT project. Jeff W. (BRASCNA PR) and Danny J (GLASCNA PR) were in attendance as well. Lots of technical information!

Jeff W., Danny J. and Pepper S. are all in agreement that we should continue the process of getting BRASCNA and GLASCNA using the BMLT.

At this point, I will be attending the BRASCNA meeting on AUG 10, 2019. Jeff and I will present the project to the service body at that time. The idea is to get BRASCNA on board. We will then contact Danny G and AJ S to get the ball rolling. The team will consequently set up an administrator for each area in the Buckeye region. Each area will be responsible for updating their own meetings.

This project is very robust and has many exciting uses that we can implement. The ETA to full functionality is 6-8 months. Again, this is the direction NAWS would like us to head in.

Lastly, is the BRASCNA treasurer's report along with a report from the TOWN HALL call center for review. When speaking with Mark T. (BRASCNA TREASURER) it was found we pay \$240/m for phonenumber, \$45.48/m for the HOPE line number and Townhall meeting room. The phone line receives around 30-70 calls per month. A requested to get a report from 10 years ago, 5 years ago, and current has been submitted. This should allow GLASCNA to get a handle on cost vs benefit.

Thanks 😊
