## April 9th Regional Public Relations Report

Due to my busy schedule I have not been able to extend my presence to area business meetings for outreach and communication. There are still several vacancies in public relations subcommittees. My schedule will be more flexible after the OCNA Convention May 27<sup>th</sup>-29<sup>th</sup>.

There were changes made to Glasena and Wrasena meeting since the last printing. I have received limited email communication but have made contact with the previous PR Chair as the contact for WAGS. TASCNA change was made at business meeting. I am struggling with Lego communication because the majority of meetings are via phone. I would appreciate any help in this area.

Due to rising costs schedule prices will increase 4¢ per copy. If more schedules are requested a increase to the \$200 is necessary.

In loving service  
Jesse G.

# NEOASCNA

Hello, family!

We at NEOASCNA are doing well. We thank you for accepting our invitation to host region.

We are moving forward as normal for an area. Our positions are soon up for election.

We have been absent from region involvement for a while, so we are thankful that we are once again engaged.

1) H&I is slowly recovering with five facilities currently and more to come.

We have no donation at this time, as our treasury is being resettled. We used to have coverage, but with a new motion for a safety deposit box, no donation is being made.

Our Tuesday Night Hope Plug meeting is now defunct. I just discovered this information, so apologies to Jessie for not knowing this sooner. Apparently, it's been defunct for months.

Thanks for letting me  
sense,

Joel B., RCM alt.

## Buckeye Region Meeting

4-9-2022

GLASCNA Area is meeting monthly. We have the following open positions, vice chair, PR chair, outreach, and RCM alternate.

Our Polar bear brunch was held in February and was well attended. Planning for our annual Camp Out "The North Coast Recovery Roast" which will take place in July at the same location it was last year in Andover Ohio.

### Two Questions from Area meeting

1. What is the Cost breakdown for the Regional phone line. cost/use, etc.
2. Can we do a phone line learning day when meeting comes to GLASCNA AREA.

200<sup>00</sup> Donation

In Service,  
Wil M.

# WRASCNA RCM Report 4.9.22

We had 12 GSR's present at our last Area service meeting. WRASCNA and STACSNA coordinated to hold a combined virtual learning day for the CAT/CAR report. The five motions were sent back to homegroups to discuss and vote on. We then voted on the five motions during our March meeting. I have the votes from the CAR/CAT motions today. All five motions passed. It is typically the third Sunday of the month but will be moved to the fourth Sunday due to Easter. Our next meeting will be held April 24<sup>th</sup> at 2pm at 1480 Eastwood Ave. A motion was also passed to express the willingness to host the next Buckeye Region meeting in the WRASCNA area. Our activities committee has planned a pie in the face fundraiser event for June 11<sup>th</sup>, the same day as our next Region meeting. In the spirit of unity, we hoped to hold the Region meeting at 10 am at Town Hall II in Kent, which would allow many of us serving at region to attend the pie in the face event at Plum Creek Park, also in Kent, OH which starts at 12pm.

Also, this will be my last time at region as RCM for WRASCNA. My term has come to an end. We have not yet voted in a new RCM. It has been a privilege to serve, and I am grateful for the experience and opportunity.

In loving service,

Andy F

## **TASCNA Report April 2022**

**Trusted servants present; Chair, Treasurer, Vice treasurer, H&I chair, Activities chair, Alt. Literature chair, RCM.**
