

April 9th Regional Public Relations Report

Due to my busy schedule I have not been able to extend my presence to area business meetings for outreach and communication. There are still several vacancies in public relations subcommittees. My schedule will be more flexible after the OCNA Convention May 27th-29th.

There were changes made to Glasena and Wrasena meeting since the last printing. I have received limited email communication but have made contact with the previous PR Chair as the contact for WAGS. TASCNA change was made at business meeting. I am struggling with Legos communication because the majority of meetings are via phone. I would appreciate any help in this area.

Due to rising costs schedule prices will increase 4¢ per copy. If more schedules are requested a increase to the \$200 is necessary.

In loving service

Jesse G
