

WRASCNA RCM Report 4.9.22

We had 12 GSR's present at our last Area service meeting. WRASCNA and STACSNA coordinated to hold a combined virtual learning day for the CAT/CAR report. The five motions were sent back to homegroups to discuss and vote on. We then voted on the five motions during our March meeting. I have the votes from the CAR/CAT motions today. All five motions passed. It is typically the third Sunday of the month but will be moved to the fourth Sunday due to Easter. Our next meeting will be held April 24th at 2pm at 1480 Eastwood Ave. A motion was also passed to express the willingness to host the next Buckeye Region meeting in the WRASCNA area. Our activities committee has planned a pie in the face fundraiser event for June 11th, the same day as our next Region meeting. In the spirit of unity, we hoped to hold the Region meeting at 10 am at Town Hall II in Kent, which would allow many of us serving at region to attend the pie in the face event at Plum Creek Park, also in Kent, OH which starts at 12pm.

Also, this will be my last time at region as RCM for WRASCNA. My term has come to an end. We have not yet voted in a new RCM. It has been a privilege to serve, and I am grateful for the experience and opportunity.

In loving service,

Andy F
